Subject: Designated Medical Providers for Work-Related Injuries and Illnesses

It is our intent to do everything possible to limit the potential for work-related injuries. However, despite our best efforts, injuries may still occur. In order to assure that the best possible care is available for injuries that you may sustain while at work, we have identified as our Primary Care Givers:

Arapahoe Peak Health Center
28000 Meadow Drive STE 210
Evergreen, CO 80439
303-679-8500

CCOM Frisco
18 School Road STE125
Frisco, CO 80443
970-668-2510

Concentra Medical Center
11185 W. 6th Ave
Lakewood, CO 80401
303-239-6060

On the Mend Occupational Medicine
3900 S. Wadsworth Blvd STE 325
Lakewood, CO 80235
303-634-2970

If you believe you have been injured on the job, notify your supervisor immediately. He/she will see that you receive the care your injuries require.

In the event of a life- or limb- threatening emergency, you will be sent to the nearest hospital or emergency care facility. One of the medical providers designated above must provide all follow-up care.

If you choose to use a physician other than the designated physician above, you may be responsible for payment for all treatment.
